

FOR ANYONE WHO TOUCHES PLANTS

the Armitage App

For gardeners, landscapers, retailers, designers, writers, students

It's About Time

Finally...we can stop complaining about people spending so much time staring at their phones. Now we have something to recommend as well. Over 500 different plants, each with concise hints for success, simple maintenance tips and best varieties. Included are hundreds of photos, videos, and a rabbit and deer guide for every plant.

At your fingertips, all the time

The App includes the latest perennials, annuals, bulbs, veggies, herbs & houseplants. Best pollinators for the garden and the best garden tools are at your fingertips. Local garden centers are listed so users can find them easily, from anywhere, with Google maps. Innovative and constantly updated, the Armitage App always has the freshest content.
